THE BEST DISTRIBUTION FOR GREATER FREEDOM OF MOVEMENT WHILE SLEEPING

Made using Sensoft technology, our springs ensure maximum freedom of movement when you are sleeping, regardless of your body shape

- **Sleep in the position you want:** Uniformly distributed, the springs provide the same support and comfort from one end of the bed to the other. You sleep in the position you want.

- **Uninterrupted sleep** is ensured by a freedom of movement
- **Ideal support for the spine** ensured by the firm comfort foam
- **Perfect for people with back problems**

PRODUCT HIGHLIGHTS

Consistent comfort from one end of the mattress to the other thanks to 100% pocketed coils.

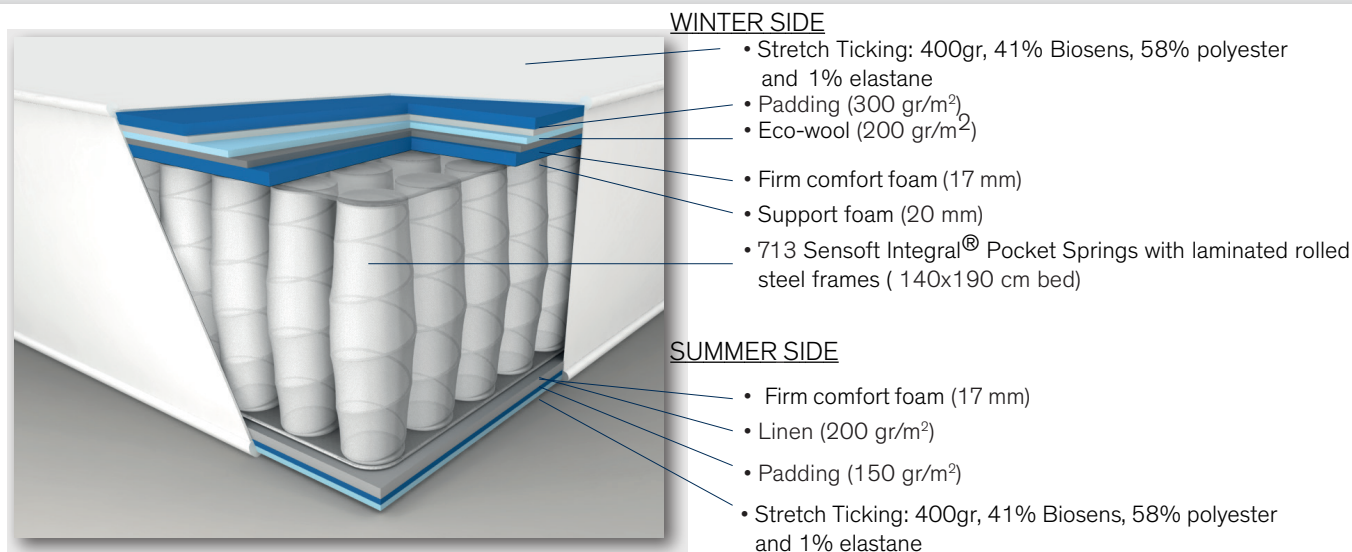

- **Ideal support for your spine**
- **Perfect for people with back problems**

RECOMMENDED BED FRAME :

We recommend that you change your bed frame at the same time as your mattress.

It is recommended that you pair the AUSTRALE mattress with a slatted bed frame of a height of 15 cm for amplified support.

The mattress AUSTRALE has 4 embroidered handles for easy handling.
