+ A FIRST STEP INTO THE WORLD OF BEAUTYREST BLACK:

Elegant in design, loaded with technology. The BLACK collection contains the quintessence of Simmons innovations to offer you an incomparable sleep. The ASPEN mattress, firmest comfort of the collection, has a reinforced support and firm welcome, ideal for lovers of firmness.

Enjoy the quality of engineered Simmons® pocket springs	Creator, inventor and specialist of pocket springs since 1929, Simmons® manufactures and develops its own pocket springs in factory in France.
Sleeping independence	The pocket springs work independently so your movements won't disturb your partner.
MULTISOFT® technology	Reinforced support with a softer welcome bring together all the sensation for comfort for a true sleep experience; From the first contact, the welcome gives you a feeling of softness and weightlessness. Your spine is perfectly supported and your body rests on a layer of wellness.
No need to flip your mattress!	The No Flip® system provides you with stable comfort all year round! No need to turn your mattress.
Comfort without pressure	Thanks to the high resilience foam Elivéa®, composed of open cells.
Deep recovery at an ideal temperature	The combination of the thermoregulating properties of Quallofil® by Dacron® wadding with the Cool Touch ticking keeps the body at an ideal temperature throughout the night.
6 Embroidered vertical handles	Easy set up of your mattress.

+ RECOMMENDED BED BASE:

We recommend that you replace your bed base at the same time as your mattress. The ASPEN mattress is recommended with a pocket spring bed base of 22cm.

Available (on option) in 100% organic GOTS (Global Organic Textile Standard) certified cotton ticking.

This option changes the aesthetics of the product and will slightly tighten the comfort.
