+ THE BEST POSSIBLE COMBINATION:

Elegant in design, loaded with technology. The BLACK collection contains the quintessence of Simmons innovations to offer you an incomparable sleep. Discover the well balanced comfort of the BROOKLYN mattress for nights without micro-wake-up to fully enjoy your days.

Enjoy the quality of engineered Simmons® pocket springs	Creator, inventor and specialist of pocket springs since 1929, Simmons® manufactures and develops its own pocket springs in factory in France.
MULTISOFT® technology	Reinforced support with a softer welcome bring together all the sensation for comfort for a true sleep experience; From the first contact, the welcome gives you a feeling of softness and weightlessness. Your spine is perfectly supported and your body rests on a layer of wellnes.
No need to flip your mattress!	The No Flip® system provides you with stable comfort all year round! No need to turn your mattress.
Perfect air circulation	Micro-perforated, the latex gel follows every movement of the body and promotes air circulation.
Sensation of weightlessness	The memory foam adapts to your body curves and gently envelops you.
Deep recovery at an ideal temperature	The combination of the thermoregulating properties of Quallofil® by Dacron® wadding with the Cool Touch ticking keeps the body at an ideal temperature throughout the night.
6 Embroidered vertical handles	Easy set up of your mattress.

+ RECOMMENDED BED BASE:

We recommend that you replace your bed base at the same time as your mattress. The BROOKLYN mattress is recommended with a pocket spring bed base of 22cm.

Available (on option) in 100% organic GOTS (Global Organic Textile Standard) certified cotton ticking.

This option changes the aesthetics of the product and will slightly tighten the comfort.
